

In August, 1990 at the annual state convention of the North Dakota Veterinary Medical Association (NDVMA), an idea for a veterinary scholarship was discussed. Before the end of the convention, Dr. Robert Velure, North Dakota's State Veterinarian, who firmly believed in the future of the scholarship, presented the first donation.

A separate scholarship account was established in January 1992 using all the donations received since 1990. The scholarship account increased further in 1992 when the NDVMA commissioned the design and production of a Centennial belt buckle. The proceeds from the sale of the belt buckle went into the scholarship account.

The Auxiliary to the North Dakota Veterinary Medical Association, has always been a strong supporter of the NDVMA Scholarship Fund. Since 1996 the Auxiliary has annually donated a majority of the proceeds from its fund-raising events to the scholarship.

In September 1997, the North Dakota Veterinary Medical Association Scholarship Fund was formally established to provide assistance to North Dakota students pursuing a career in veterinary medicine and to further enhance veterinary education in North Dakota.
